How do I get it?

How to get it:

Book using the following way:

At Avis.

This benefit is subject to availability.

Using the benefit:

Bookings need to be made three days before you collect the car.

Bookings must be paid for with a valid credit card. Avis accepts MasterCard, Visa, American Express or Diners Club.

All bookings are non-refundable and no changes will be accepted.

Discount not available for business bookings.

Discount applies to the best rate available at the time of booking.

Bookings must be for a minimum of three consecutive weekdays or two consecutive weekend days. In this case, Avis weekend rules will apply.

Multiply Provider and Premier members may book 40 days of car rental per family member during a calendar year (January to December) at your higher discount. You can however book additional car rentals once this limit has been exceeded. Your discount will be limited to the Starter benefit discount regardless of your Multiply status. In this case, there is no limit to your rental period. Any Avis Chauffeur Drive will be taken off your 40-day limit. One booking of each of these services is equivalent to one day's car rental.

A single booking is for a maximum of 23 consecutive days at your status or level discount for Multiply Premier and Multiply Provider benefits. A booking longer than this time will be considered a monthly booking and will be charged at the Avis retail rate with no Multiply discount.

Members must be over the age of 18 to rent a vehicle and must have a valid credit card and an unendorsed driver's license that's valid for at least one year.

Quoted rates exclude any additional rates.

This benefit is only available to the main member and partner on Multiply.

The benefit is only available in the Republic of South Africa.

Standard Avis Ts & Cs apply.
