How do I get it?

Vouchers can only be purchased from the Multiply Online Shop.

Pay for vouchers with a valid Visa or MasterCard cheque or credit card or your Multiply Money payment wallet. When ordering the vouchers online, remember to specify the cellphone number to which the voucher should be sent. The voucher will be delivered electronically.

Vouchers are available in denominations of R250, R500, R1 000, R1 500, R2 500 and R5 000.

Your activated voucher code will be sent to you via SMS within three working days.

You may have to purchase more than one voucher for the amount you require. For example, if you'd like to purchase for R750, you would buy a R250 and R500 voucher.

Each voucher purchased will generate its own SMS containing an activated voucher code.

Your purchase will be confirmed via email. Keep this email safe.

You can use your voucher at any Edcon store. Present the voucher code to the cashier at point of sale and remember to tell them that it's a voucher number.

Should you not spend the entire voucher amount; the cashier will transfer the remaining funds onto a physical voucher, which you can then use for future purchases.

If you select the discount instead, your payment due will reflect the discounted amount. If you select cashbacks, you will pay the full amount.

If you select cashbacks, your cashbacks will be transferred into your Multiply Money savings wallet within 24 hours.
