Premier

You get a fixed discount of 25% off your monthly gym membership fees on a 12-month contract with a R400 activation fee.

Additional benefits:

No minimum gym visits are required, i.e. your discount will no longer be calculated according to the number of times you attended gym.

Every gym session will earn you one active day.

Who qualifies?

Female main member or partner and adult dependents qualify for this benefit.

Adult dependents (by Multiply`s definition) will be charged the under 18 add on rate.

How do I get it?

You must take your Smart ID card or green bar-coded ID and Multiply membership card to the Curves health club of your choice.

When you apply with Curves please note that you will be asked to:
Complete an application form.

Provide Curves with your banking details for their direct collection of your monthly gym debit order.

Note that Curves will collect your monthly debit order on the first of every month. If you joined Curves in the middle of a month, the next month's premium will include the additional first month's pro-rated premium.

Using the benefit

Curves health clubs are for women only.

The benefit is based on the standard 12 or 24-month membership contract, which varies by club type and does not apply to any membership specials that Curves may run.

Standard Curves Ts & Cs apply.
