How do I get it?

To get your discount:

Visit one of the selected stores and ask for the 10% Multiply discount. You will be required to provide your full name and ID number to verify that you are a Multiply member. If you cannot be identified as a Multiply member at the time of purchase, you will not be able to get the 10% discount.

There are two ways to get additional cashbacks:

SnapnSave app

Download the SnapnSave app, available on iOS and Android or visit the SnapnSave website on your mobile browser.

Follow the steps to register an account and indicate that you are a Multiply member.

Click on the Snap button on the app and select the store you shopped at.

Take a photo of your till slip and confirm your photo is clear and legible.

Once your till slip has been validated, your cashbacks will reflect in SnapnSave Wallet. You can then move your cashbacks to your Multiply Money savings wallet as often as you need to.

Multiply Cycle Benefit website

Go to the Multiply Cycle Benefit website.

Follow the steps to upload a photo of your till slip.

Complete your email and ID number for verification and click submit.

You will receive a confirmation email that your till slip has been received.

Once your till slip has been validated, your cashbacks will reflect in SnapnSave wallet. You can then move your cashbacks to your Multiply Money savings wallet as often as you need to.
