

Get rewarded when you buy everything on your grocery list with a Woolworths gift card from the Multiply online shop.

Starter

You get 2% cashbacks on Woolworths gift cards from the Multiply online shop.

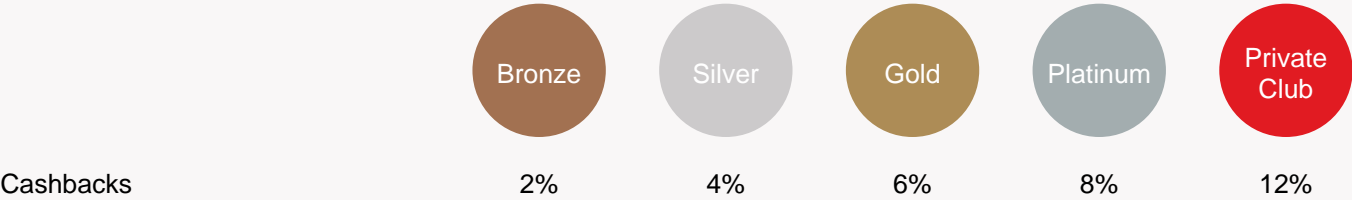

Provider

Cashbacks not applicable.

Premier

You get cashbacks on Woolworths gift cards from the Multiply online shop according to your status.

# How do I get it?

## Using the benefit:

Log in to the Multiply online shop.  
Search for Woolworths.  
Select the value of the gift card you would like to purchase.  
We will send you a gift card code within two hours of successful order confirmation. Your gift card code will be sent via SMS to the number provided when you bought the gift card.  
If you don't receive your gift card code within two hours, you can log on to the Multiply online shop and view the code against the order number. It may have been delayed due to slow networks.

## Benefit rules:

This is a cashbacks only benefit. If you have a cashbacks-only item in your cart, like the Woolworths gift cards, and other items that qualify for either cashbacks or discounts at checkout, your basket will default to cashbacks. To choose discounts in light of the items that qualify for both cashbacks and discounts, you will have to remove the cashbacks-only item.

The Woolworths gift cards are redeemable in-store and online. The gift cards can be used to shop at Woolworths Food stores in South Africa.

The gift cards are not redeemable at Woolworths stores at Engen garages.

The spend limit balance will be available on your rewards statement found on the Momentum Multiply website and app.

As a family, you get cashbacks on the first R3 300 that you spend per month or R2 200 as a single member at our grocery partners, Woolworths and Pick and Pay. This is your monthly spend limit. Once you reach your monthly spend limit, you can still enjoy 2% in cashbacks on Woolworths gift cards for the rest of the month.

Your gift cards will be valid for three years.

You can check your gift card balance in-store at any till point before making your purchase.

The Multiply call centre can resend the gift card on request or refer you to your order number under your Multiply online shop profile.

Standard Woolworths Ts & Cs apply.
